

# Tin Smith Class

Dennis Kutch will be having a Tin Smith class in August 2020. The Class will be held on Monday through Wednesday, August 3, 4 and 5, 2020, at the Kutch residence. The cost of the Class is \$300 per person with a limit of 5 students.

We will be making candle holders, sconces, and cups by hand and by using machines. I'll also show you how to fix mistakes when making items. We'll go through settings on the machines and what to look for when buying machines. It will be a well-rounded class in learning tinworking.

There will be a noon meal provided. Please list any food allergies when you submit the registration. Supplies for the class will be provided. Camping will be available. There is also a kitchen, refrigerator and shower available for your use. If you would prefer, there is a new Sleep Inn one mile away.

Please send a down payment to ensure a place in the class. Please let us know your skill level, for example, none, novice, or more experience. Also, please let us know some of your expectations for the class.

Dennis Kutch

12329 East 1700 North, Newberry, IN 47449

Phone number 812-636-7853 Email: [dkl.tinker@gmail.com](mailto:dkl.tinker@gmail.com)
