CAUTION TO PURCHASERS WHO REQUIRE J. RUDDEN & SON'S MACHINES AND TOOLS.

Whereas it has been brought to our notice that many of our customers have been induced, both by parties representing and selling Inferior Machines and Tools as Our Manufacture, to purchase the same, to the prejudice of our Trade as well as ourselves, we publicly express our regret of deception, and to convince all purchasers of our goods as to that each article which we guarantee to be of the best quality, bears our Trade Mark (protected by Act of Parliament) so that in the case of Brass Label not appearing on

We shall also esteem it a favour if our customers will kindly communicate with us should any one of the above names come under their notice after this date, so that the usual proceedings may be taken against the offenders parties

REGISTERED.
